YOUR WEDDING EXPERIENCE

At Captured Images by Augie, we have a passion for the art of photography. We pride ourselves in delivering the highest level of quality at the best value in the industry. Our style blends traditional, artistic and photojournalistic photography to produce stunning images to be cherished for a lifetime.

In addition, our exceptional service is second to none. With our online galleries, you will view your photos within a week of your wedding. Continue to treasure your photos with the finest Italian leather albums or contemporary coffee table books. Having one of the fastest production turn-around times, you and your family will be enjoying your photos and albums before you forget a single moment.

At Captured Images by Augie, we believe that your wedding photos are the most important and essential part of your wedding day. We structure our wedding packages to fit everyone's budget and style. From the simplistic to the extravagant bride, you decide on how you would like your day remembered. If our packages do not meet your needs, we can customize any package or create one tailored just for your Special Day. Our main objective is making sure your wedding day is the most wonderful experience imaginable. So don't wait. . .
